Karam Awwad

A 25 years old web development professional with a focus on creating exceptional online experiences. As a skilled software engineering student, I specialize in HTML, CSS, Bootstrap, and PHP Laravel, and I'm dedicated to staying up-to-date with the latest industry trends and best practices. I possess strong communication skills and a proven track record of working effectively with cross-functional teams. I'm passionate about leveraging my skills to contribute to your organization's success, and I'm excited to explore new opportunities.
